2. **P3: e-Learning on 10 and 11 April 2025 (Thursday and Friday)**

The school will be implementing e-Learning for our **Primary 3 students** for **two days** on **10 and 11 April 2025 (Thursday and Friday)**. The objectives are as follows:

- To build in students a stronger foundation for navigating ICT-mediated lessons, enhancing their self-directed and collaborative learning skills and confidence in a digital learning environment; and
- To ensure that students are ready and equipped with the necessary skills for Home-Based Learning in the event of unforeseen circumstances leading to emergency school closures that can affect students' learning.

During the e-Learning days, Primary 3 students are to remain at home and complete the assigned work (Computer and non-Computer work). Parents are **strongly encouraged to plan for alternative care arrangements**. For assigned Computer work, students will need a computing device and internet access. All Computer work is to be completed by 20 April 2025 (Sunday). An overview of the schedule for each day of e-learning is as shown in the table below:

Primary 3 e-Learning Days [No School] Core & non-core subjects					Total Computer Hours	Total Non- Computer Hours	Total Hours for e-Learning
10 April, Thursday	English	Math	Physical Education	Art	2 hours	2 hours	4 hours
11 April, Friday	Mother Tongue	Science	Music	Social Studies	2 hours	2 hours	4 hours
Mode & Duration (estimated)	<ul style="list-style-type: none">• Computer work = 30 mins per subject (1 Asynchronous SLS assignment per subject)• Non-Computer work = 30 mins per subject (e.g. Hard copy written work)						

More details about the e-Learning will be sent out via Parents Gateway (PG), along with the Lesson Guides containing assignment information, closer to the e-Learning dates. **If you have any queries or require any support from school, do approach your child's form teachers by 4 April 2025 (Friday).**

School-based Student Care Centre (SCC) will remain open in the afternoons (from 1.30pm to 7.00pm) during the e-Learning period for SCC students.

3. **Installation of Air Conditioning in the Multi-Purpose Hall**

We are happy to share that air conditioning system will be installed in our school's Multi-Purpose Hall (MPH) from 15 March to 20 April 2025. We look forward to the enhanced facilities to better support student holistic development.
