# 2. Primary 3 Gifted Education Programme (GEP) Identification Exercise 2025

Please note the tentative schedule for the Gifted Education Programme (GEP) Identification Exercise in 2025 below:

Stage	Date	Participants	Papers
	. •	Primary 3 students enrolled in	0 0
Exercise	(Thursday)	government and government-	Mathematics
		aided schools	
GEP Screening	14 & 15 October	Primary 3 students shortlisted	English Language
Exercise	2025 (Tuesday &	after the GEP Screening	Mathematics
	Wednesday)	Exercise	General Ability

The above dates are also reflected in our school calendar: https://www.ferngreenpri.moe.edu.sg/general-information/School-Calendar/

The content coverage for the GEP Identification Exercise will be based on the Primary 1 to Primary 3 English Language and Mathematics syllabuses.

The GEP Identification Exercise aims to identify suitable students with high intellectual potential. Parents should note that test-preparation activities could inflate students' scores and not reflect their actual potential. Students who are not ready to handle the intellectual rigour and demands of the programme will struggle with the enriched curriculum and not benefit fully from it. This would also put undue stress on the students and may even cause them to lose confidence and impact their self-esteem.

# 4. Student Accolades: Performing Arts CCA Students at Chingay@Fernvale 2025!

We are thrilled to share the remarkable success of our students at the recent Chingay Performance, part of the Fernvale Community celebrations on 15 February 2025 (Saturday). Our Modern Dance, Show Choir, and Guitar Ensemble students delivered an outstanding performance before their families and friends, showcasing their talents and bringing pride to our school. Despite facing challenging weather conditions, with a heavy downpour just before the event, our students demonstrated exceptional resilience and perseverance.

Their unwavering commitment and ability to excel under pressure truly demonstrated our school's values. This experience not only highlighted their artistic skills but also fostered important life skills such as teamwork and adaptability. We are immensely proud of their accomplishments and grateful for parents' continued support of our performing arts programmes. Please join us in congratulating the students on their stellar performance!
